12	**XM® indicator**	This mark is displayed when XM® information is received.	177
13	**"GPS" mark (Global Positioning System)**	Whenever the vehicle is receiving signals from the GPS, this mark is displayed.	382

INFORMATION

Remove dirt from the display and its surrounding area by lightly wiping with a soft, dry cloth, such as a cloth used for cleaning glasses with plastic lenses.
Scrubbing too hard or using a hard cloth could scratch the display. Also, the display is treated with a coating, and could be damaged by coming into contact with benzine or alkaline solution.

— Registering home

1	**Push the "MENU" button on the Remote Touch.**

2	**Select "Destination" and push the "ENTER" button on the Remote Touch.**

3	**Select "Go Home" and push the "ENTER" button on the Remote Touch.**

If home has not been registered, you can register it by selecting **"Go Home"**.

4	**Select "Yes" and push the "ENTER" button on the Remote Touch.**

5 **There are 4 different methods to search your home.**
